## Why Call Us?

### Aspiring Innkeeper? Here's what's in it for You...

- We want to share our **experience and knowledge** with you to:
  - **Help you discover**... (“you don’t know what you don’t know”)
  - Help you **find the RIGHT inn** for your business and personal goals. We feel that most failing innkeepers did not think this critical step through.
  - Understand the due diligence process, the **roadblocks and speed bumps**, the business analyses and the nitty-gritty. We will hold your hand through the entire process
  - We have the **most comprehensive seminars** in the industry with an aggressive schedule at an inn near you.
- **Financial Guidance to:**
  - Provide you **credible valuations and analyses** of candidate inns. You want to know the objective performance of the inn or its future feasibility.
  - **Guide you to the right price.** Paying too much starts you off in trouble right from the start.
  - Help you **invest wisely** and avoid costly mistakes (it’s your money, spend it wisely).
- We provide you with **services before, during and after** your purchase.
